

BIBLIOGRAPHY

Updates to this bibliography will be posted periodically as a PDF document at:
www.slaughterofthedissidents.com/biblio.html

Important note about internet references in this bibliography: Many times you will find internet sources missing when you go to visit a web site using the reference we've listed below (information gets moved and dropped frequently on the internet). This is why we started adding the last date of successful access after most of the sources we've listed here. With that date in hand, you can actually go back in time using the web site located at <http://www.archive.org> and frequently access the cited information.
